Dear Author,

During the Executive Council meeting of PSIM, it was unanimously decided that a submission fee and a processing fee would apply to every manuscript submitted on or after 26 January 2024, in line with the practice of other national and international journals. Manuscripts submitted before that date were not charged.
The payment details are outlined below:

Submission Fee:	PKR 5,000/-
Processing Fee:	PKR 15,000/-
Total	**PKR 20,000/-**

Both fees are paid together, in one payment of PKR 20,000, when the original article is submitted. Nothing further is payable after acceptance. Payment does not guarantee that an article will be accepted or published.

Payment can be made to PAKISTAN SOCIETY OF INTERNAL MEDICINE through interbank fund transfer (IBFT) service. The details of payment are as follows:

Title: Pakistan Society of Internal Medicine, NTN: A442389
Bank Details: Faysal Bank Ltd, Model Town, Lahore
Account Number: 3310787000004575
IBAN: PK41FAYS3310787000004575
After paying, please upload a screenshot or photo of the transaction receipt at Step 3 of the online submission (the line "Bank Deposit Slip / Payment Screenshot") and enter the transaction ID and date shown on it.

The journal does not currently offer fee waivers or discounts. The fees above apply to all authors and are the only charges made for publication; there is no charge for readers to access or download any article.

The submission fee (PKR 5,000) is non-refundable. The processing fee (PKR 15,000) is refunded in full if the article is rejected at desk screening, that is, before it is sent for peer review. Once an article has been sent for peer review, neither fee is refunded.

Every article must be accompanied by the Ethical committee/IRB approval letter.
Sincerely yours,

Prof. Aziz-ur-Rehman
